

The image shows a Visual Studio Code editor window with a dark theme. The top menu bar includes File, Edit, Selection, View, Go, Run, Terminal, and Help. The title bar indicates the file is 'index.js - Visual Studio Code'. The Explorer sidebar on the left shows a file named 'index.js' with a close button. The main editor area displays the following JavaScript code:

```
1  const input = require('readline-sync')
2
3  var nota1 = Number(input.question("Digita a sua primeira nota: "));
4  var nota2 = Number(input.question("Digite a sua segunda nota: "));
5  var nota3 = Number(input.question("Digite a sua terceira nota: "));
6  var media = (nota1 + nota2 + nota3)/3
7
8  console.log(`Sua média é: ${media.toFixed(2)}`);
9
10 if (media >= 7) {
11     console.log("Aprovado!");
12 }
13 else {
14     console.log("Reprovado!");
15 }
```

Below the editor is a panel with tabs for PROBLEMS, OUTPUT, DEBUG CONSOLE, TERMINAL, and JUPYTER. The TERMINAL tab is active, showing a PowerShell prompt. The terminal output is as follows:

```
Instale o PowerShell mais recente para obter novos recursos e aprimoramentos! https://aka.ms/PSWindows

PS C:\Users\brbar> cd D:\Arquivos\Documents\PROGRAMACAO\CURSOS\ativ7
PS D:\Arquivos\Documents\PROGRAMACAO\CURSOS\ativ7> node index.js
Digita a sua primeira nota: 10
Digite a sua segunda nota: 9.5
Digite a sua terceira nota: 4
Sua média é: 7.83
Aprovado!
PS D:\Arquivos\Documents\PROGRAMACAO\CURSOS\ativ7> 
```

The status bar at the bottom shows 'Ln 15, Col 2', 'Spaces: 4', 'UTF-8', 'CRLF', 'JavaScript', and 'Go Live' button.
